WORK EXPERIENCE

01/2022 – CURRENT – Rome, Italy

Software engineer

Freelance

Software development for customers all around the world; TopTal's talent

Focused on Android, .NET and Flutter

01/2022 – CURRENT – Rome, Italy

CTO & Co-Founder

Spooky Parrots

Co-founded a small indie videogame development studio. I'm currently in charge of the development of our games. We focus on independent, story-driven and horror-like PC games with hidden secrets and "lore". We published One Last Night as our first free videogame. Our preferred game engine is Unity.

07/2021 – 12/2021 – Rome, Italy

Mobile Tech Lead

MIR Medical International Research srl

End-to-end software projects management for mobile applications:

- Requirements gathering from stakeholders
- Resources planning (both internal and contractors)
- Code reviews
- Automated and manual testing overview
- Final deployment to app stores

Hands on coding for the hardest and most domain-bound Android parts of our SDKs and applications.

01/2019 – 06/2021 – Rome, Italy

Senior Software Developer

MIR Medical International Research srl

- Definition of requirements, study and development of a .NET Core WPF application ("MIR Spiro") for doctors: patient management, real-time execution of spirometry and oximetry trials with charts, connection to external EHRs via FHIR and HL7, Entity Framework Core and Ado.NET ORMs, remote visits via video call (WebRTC);
- ASP .NET Core 3.1+ Web API development, for patient and trial data submission, application errors, usage statistics, device firmware download, product registration.
- Development of an Android application ("MIR Spirobank") for patient self-monitoring, testing, health trends, sharing results with the doctor
- Android maintenance and feature adding for an Android SDK (SpirobankSmart Android SDK) to connect to medical devices via BLE (data parsing, transmission, algorithms, etc)

Roma, Italy

12/2016 – 01/2019 – Rome, Italy

Freelance Software Developer

- Development of "Life2020" Android app and Web API with .NET Framework 4.6 for patient data exchange and spirometry tests using FHIR standards;
- Design and creation of the autoscuolecorinaldesi.it and plumsolution.it websites

Roma, Italy

EDUCATION AND TRAINING

10/2012 – CURRENT – Roma, Italy

Oriental languages and cultures degree

"La Sapienza" University

09/2004 – 07/2009 – Jesi, Italy
